Special Assessments. In addition to annual assessments, the Developer, or the Association as assignee of the Developer as herein provided, may levy in any calendar year, special assessments for the purpose of supplementing the annual assessments if the same are inadequate to pay expenses and for the purpose of defraying in whole or in part the cost of any construction or reconstruction, repair or replacement of improvements on any Lot or appurtenances thereto; provided, however, that any such special assessment by the Association shall have the assent of two thirds(2/3rds) of the votes represented, in person or proxy, at a meeting at which a quorum is present, duly called for the express purpose of approving such expenditure(s), written notice of which shall be sent to all Lot Owners not less than ten (10) days nor more than sixty (60) days in advance of such meeting, which notice shall set forth the purpose of the meeting. Any special assessments shall be fixed against the specific Lot or Lots for which

expenditure is appropriated. The period of the assessment and manner of payment shall be determined by the Board.

Damage Assessment. An Owner shall be liable for all damages to Common Area Improvements, including Roadways, arising out of or incident to negligent acts of Owner, Owner's contractors, agents, tenants and invitees. The Association shall levy a damage assessment in the amount of the cost to repair the damaged Common Area Improvement which shall be paid within thirty (30) days of delivery of the assessment demand to Owner. The damage assessment shall be secured by the lien securing annual and special assessments.

#### SECTION FIVE

##### Date of Commencement of Annual Assessments - Due Dates.

Assessments are due in annual installments on or before October 1 of each calendar year, or in such other reasonable manner as the Developer or the Board as designee of the Developer by and through its Treasurer shall designate.

The annual assessment(s) provided for in this Article V shall, as to each Lot, commence upon either the execution and delivery of or the recordation of a deed of conveyance, whichever in time first occurs ("commencement date".)

The first annual installment for each such Lot shall be an amount (rounding the sum to the nearest whole dollar) equal to the annual assessment by the number of days in the current annual payment period divided by the number of days in the current annual payment period and multiplied by the number of days then remaining in such annual payment period.

The Developer, or the Association as assignee of Developer, shall upon demand at any time, furnish any Lot Owner liable for any such assessment a certificate in writing setting forth whether the same has been paid. A reasonable charge may be made for the issuance of any certificate. Such certificate shall be conclusive evidence of any payment of any assessment therein stated to have been paid.

#### SECTION SIX

Effect of Non-payment of Assessments, the Personal Obligation of the Owner; the Lien; Remedies of Developer and/or its Assignees, including the Association. If an assessment is not paid on the date when due as hereinabove provided, then such assessment, together with any interest thereon and any cost of collection, including attorney fees as hereinafter provided, shall be a charge and continuing lien on the respective Lot to which it relates and shall bind such property in the hands of the Owner, his heirs, legal representatives, successors, and assigns for payment thereof. The personal obligation of the then Owner to pay such assessment and related costs shall remain his personal obligation and if their successor in title assumes this personal obligation, such prior owner shall nevertheless remain as fully obligated as before to pay the Developer or its assignee any and all amounts which said Lot Owner was obligated to pay immediately preceding the transfer of title thereto; and such prior Lot Owner and his successor in title who may assume such liability shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Lot Owner and his successor in title creating the relationship of principal and surety as between themselves other than one by virtue of which such prior

Lot Owner and his successor in title would be jointly and severally liable to make any Lot assessment payment.

Any such assessment not paid by the 15th day of March as herein set forth within which such assessment is due, shall bear interest at the rate of eight (8%) percent per annum from such date (delinquency date) and shall be payable in addition to the basic assessment amount then due and payable.

The Developer or its assigns, including the Association, may institute legal action against any Owner personally obligated to pay any assessment or foreclose its lien against any Lot to which it relates or pursue either such course at the same time or successively. In such event the Developer or its assigns, including the Association, shall be entitled to recover attorney's fees actually incurred but not exceeding fifteen (15%) percent of the amount of the delinquent assessment and any and all other costs of collection, including, but not limited to, court costs.

By the acceptance by owner of a deed or other conveyance for a Lot in the Subdivision, vests the Developer or its assigns, including the Association as herein provided, the right and power to institute all actions against him personally for the collection of such charges as a debt and to foreclose the aforesaid lien in appropriate proceeding at law or in equity.

The Developer and its assigns, including the Association as herein provided, shall have the power to bid on any lot at any foreclosure sale and to require, hold, lease, mortgage, and convey any lot purchased in connection therewith.

No owner shall be relieved from liability from any assessment provided for herein by abandonment of his Lot or Lots.

#### SECTION SEVEN

Subordination of the Charges and Liens to Mortgages Secured by Promissory Notes. The lien and permanent charge for the annual and any special assessment together with interest thereon and any costs of collection) authorized herein with respect to any lot is hereby made subordinate to the lien of any mortgage placed on any Lot if, but only if, all assessments with respect to any such Lot having a due date on or prior to the date of such deed of trust is filed for record have been paid in full. The lien and permanent charge hereby subordinated is only such lien and charge as relates to assessments authorized hereunder having a due date subsequent to the date such lien of mortgage is filed for record prior to the satisfaction, cancellation or foreclosure of such lien of deed of trust or sale or transfer of any mortgaged lot pursuant to any proceeding in lieu of foreclosure or the sale under power contained in any deed of trust.

- (a) Such subordination procedure is merely a subordination and not to relieve any Lot Owner of the mortgaged property of his personal obligation to pay all assessments coming due at a time when he is a Lot Owner; shall not relieve such property from the lien and permanent charge provided for herein (except as to the extent the subordinated lien and permanent charge is extinguished as a result of such subordination or against the beneficiary of the lien of a deed of trust or his assignees or transferee by foreclosure or by sale or transfer in any proceeding in lieu of foreclosure or by power of sale); and no sale or transfer for such property to the beneficiary of the lien of any deed of trust or to any other person pursuant to a foreclosures sale, or pursuant to any other proceeding in lieu of foreclosure, or pursuant to a sale under power, shall relieve any existing or previous Owner of such Lot of any personal obligation, or relieve any subsequent Lot owner from liability for any assessment coming due after such sale or transfer of title to a Subdivision Lot.

- (b) Notwithstanding the foregoing provision, the Developer or its assigns, including the Association as herein provided may, in writing at any time, whether before or after any lien of deed of trust is placed upon a subdivision lot, waive, relinquish or quitclaim in whole or in part the right of Developer or its assigns, including the Association as herein provided, to any assessment provided for hereunder with respect to such lot coming due during the period while such property is or may be held by any beneficiary of the lien of any deed of trust pursuant to the said sale or transfer.

## SECTION EIGHT

Exempt Property. Each lot shall be exempt from the assessments created hereunder until the execution and delivery of a deed from the Developer, its successors and/or assigns in interest to an owner making the Lot conveyed subject to these Declarations.

## ARTICLE VIII.

### ARCHITECTURAL CONTROL COMMITTEE

Section 1. Development Objectives. The aesthetic and ecological quality of the Properties requires that all improvements be compatible with other Improvements and be in harmony with the natural surroundings. To this end, an Architectural Control Committee (sometimes hereinafter called "the Committee") has been created as described in Section 2 of this Article. The Committee has the responsibility to carry out the goals and functions that have been adopted, and are described below, and which may be amended from time to time.

Section 2. Architectural Control Committee. The

Committee shall be composed of three members selected and appointed by the Board and may include members of such Board. The Board shall have the exclusive right and power at any time, and from time to time, to create and fill vacancies on the Committee. The Committee reserves the right from time to time to file instruments in the Real Property Records of Gillespie Counties, Texas designating its then current composition.

Section 3. Goal of Committee. The goal of the Committee is to encourage the construction of improvements of good architectural design, quality and proper size. Improvements should be planned and designed with particular attention to the design and aesthetic appearance of the exterior and the use of such materials as will, in the judgment of the Committee, create an attractive and harmonious blend with existing dwellings and the natural surroundings. The Committee may disapprove the construction or design of an improvement on purely aesthetic grounds where, in its judgment, such disapproval is required to protect the continuity of design or values of the neighborhood and of other Owners, or to preserve the serenity and natural beauty of any surroundings. Prior judgments regarding such matters of design or aesthetics shall not be deemed binding upon the Committee if such Committee feels that the repetition of such

matters will have an adverse effect on the Lots.

Section 4. Function of the Committee. The Committee shall function as the representative of the Owners for the purposes herein set forth as well as for all purposes consistent with the creation and preservation of a first class development. No improvement, as that term is defined in Article I of this Declaration, shall be erected, constructed, placed, altered (either by addition or deletion), maintained or permitted to remain on any portion of the Properties until plans and specifications, in such form and detail as the Committee may deem necessary, shall have been submitted to and approved in writing by such Committee. The Committee shall have the power to employ professional consultants and professional home owners management firms to assist it in discharging its duties. The decision of the Committee shall be final, conclusive, and binding upon the applicant.

Section 5. Procedures of the Committee. The Committee may establish and publish from time to time reasonable administrative procedures and separate building guidelines covering residential and non-residential Improvements.

Section 6. Indemnity. The Association shall at all times indemnify and hold the committee and the committee members harmless from any and all liability associated with any and all claims or damages of every kind arising out of

the actions, or omissions to act, of the committee and/or its members. The Committee and its members shall be shown as an additional insured on the Association's general liability insurance policy.

#### ARTICLE IX.

##### SUBMITTAL AND APPROVAL PROCESS

Section 1. Design Submittal. The Owner must submit a design plan, which must adequately reflect to the Committee the true design quality of the proposed work. Final plans and specifications shall be submitted in complete form in duplicate and shall include a floor plan and all elevations of any proposed structure(s) and Improvement(s) (including fences, walls, sign, pools, pool buildings, driveway design, motor courts, etc.), roof height, specification of materials, colors, textures and shapes. All measurements and dimensions, both interior and exterior, must be shown. (1/4"-1' minimum) Description of materials and finishes must be clearly indicated. The design plan shall include a plat of the Owner's Lot which shall specify the location of the Improvements upon the Lot.

Section 2. Basis of Approval. Approval of preliminary design plans and final plans and specifications shall be based upon the following:

- (a) The architectural and structural integrity of

the design.

- (b) Harmony and conformity of the design with the surroundings both natural and built.
- (c) Adequacy of the design to conditions of the Lot.
- (d) Relation of finished grades and elevations to neighboring Lots.
- (e) Conformity to specific and general intent of the Protective Covenants covering the subdivision of which the Lot in question forms a part.
- (f) Relation of improvements to improvements on neighboring sites.
- (g) Protecting the view from Lots whose location provides distant views.
- (h) Central and elevated location of dwellings upon each Lot.
- (i) Preliminary plans shall be submitted and approved by the Committee prior to proceeding with final plans and specifications. The preliminary plans shall include a section depicting the finished floor elevation relative to existing and finished grades within ten (10) feet beyond the front, side, and the back of the residence.

Section 3. Variances. Upon submission of a written request for same, the Committee may, from time to time, in its sole discretion, permit Owners to construct, erect, or install Improvements which are in variance from the covenants, restrictions, or architectural standards and

setbacks which are provided in this Declaration or the applicable Protective Covenants or those which may be promulgated in the future. In any case, however, such variances must, in the Committee's sole discretion, blend effectively with the general architectural style and design of the community and must not detrimentally affect the integrity of the Lots nor harmony with the natural surroundings. No member of the Committee shall be liable to any Owner for claims, causes of action or damages arising out of the grant of any variance to an Owner. Each request for a variance submitted hereunder shall be reviewed separately and apart from other such requests and the grant of a variance to any Owner shall not constitute a waiver of the Committee's right to strictly enforce the Declarations and architectural standards provided hereunder, against any other Owner.

Section 4. Issuance of a Approval. Upon approval of final submittals, an approval email or letter will be issued, and construction may begin. The issuance and acceptance of the building approval assures that:

(a) Construction of an approved improvement will be completed within twelve (12) months from start of construction. Owner may place and occupy an RV on the Owner's Lot during said twelve (12) months' time period or until the approved improvement is complete, whichever is shorter.

(b) Construction will be in accordance with approved plans.

(c) Any exterior changes after final approval of plans by the Committee must be approved in writing by the Committee prior to construction of those changes.

(d) Regular inspections may be made by a representative of the Committee.

Section 5. Failure of the Committee to Act. If the Committee fails to approve or to disapprove either the preliminary design plans or the final plans and specifications or to reject them as being inadequate within thirty (30) days after submittal thereof, it shall be conclusively presumed that such Committee has approved such preliminary design plan or such final plans and specifications. If preliminary design plans or final plans and specifications are not sufficiently complete or are otherwise inadequate, the Committee may reject them as being inadequate or may approve or disapprove part, conditionally or unconditionally, and reject the balance.

Section 6. Limitation of Liability. Neither the Declarant, the Association, the Committee, nor any of the members of such Committee shall be liable in damages or otherwise to anyone submitting plans and specifications for approval or to any Owner of land affected by this Declaration by reason of mistake of judgment, negligence, or nonfeasance arising out of or in connection with the approval or

disapproval or failure to approve or to disapprove any plans and specifications.

Section 7. Failure to Submit for Approval. Owner's Failure to submit for an approval pursuant to Section 4 and subsequent construction will result in a fine of \$2,500.00.

ARTICLE X.

REMEDIES FOR VIOLATIONS, AMENDMENTS  
TERMS, AND MISCELLANEOUS PROVISIONS

ENFORCEMENT

These Declarations shall run with the land and shall be binding on all parties and all persons claiming under them.

Enforcement of these Declarations may be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant, either to restrain violation or to recover damages. Either the undersigned Developer, or any successor in title to the undersigned Developer, or any Owner of any Lot affected hereby may institute such proceedings.

ARTICLE XI.

NONJUDICIAL FORECLOSURE

Section 1. To secure the payment of maintenance assessments and to ensure compliance with the applicable covenants, conditions, restrictions and easements set forth herein, each Owner, upon acceptance of his or her deed to a Lot governed by this Declaration

conveys the Lot to the Trustee hereinafter named, in trust, for so long as these covenants, conditions, restrictions and easements shall remain in effect, such conveyance operating as a Special Deed of Trust. If an Owner fails to tender payment of maintenance assessments or reimbursements when due, or if an owner fails to perform any of the Obligations under or maintain any condition required by this Declaration, the Association may perform those obligations, advance whatever funds may be required, and then be reimbursed by the Owner on demand for any sums so advanced, including attorney's fees, plus interest on those sums from the dates of payment at the highest legal rate permitted by law for the Owner. The sum to be reimbursed shall be secured by this Special Deed of Trust.

Section 2. If the Owner fails on demand to reimburse the Association for the sums advanced or for the assessments owed, and such failure continues after the Association gives the owner notice of the failure and the time within which it must be cured, as may be required by law or by written agreement, then the Association, as the Beneficiary of this Special Deed of Trust, may:

(a) Request the Trustee appointed herein, or his successor, to foreclose the liens created herein, in which case the Association shall give notice of the foreclosure sale as provided by Section 51.002 et. seq. of the Texas Property Code then in effect or any successor statute thereto; and

(b) Purchase the Lot at any foreclosure sale by offering the highest bid and then have the bid credited to the reimbursement

or satisfaction of the outstanding indebtedness owed to the Association.

Section 3. If requested by the Association to foreclose this lien, the Trustee shall:

(a) Either personally or by agent give notice of the foreclosure sale as required by, Section 51.002 et. seq. of the Texas Property Code then in effect or any successor statute thereto;

(b) Sell and convey the Lot to the highest bidder for cash with a general warranty binding the Owner, subject to prior liens and to other exceptions to conveyance and warranty; and

(c) From the proceeds of the sale, pay, in this order:

(1) expenses of foreclosure, including a commission to Trustee of five percent (5%) of the successful bid;

(2) to the Association, the full amount advanced, attorney's fees, and other charges due and unpaid;

(3) any amounts required by law to be paid before payment to the Owner; and

(4) to the Owner, any remaining balance.

Section 4. A Trustee is appointed for the purpose of enforcing the covenants, conditions and restrictions imposed by this Declaration, and also for the collection of maintenance assessments. The Association, as Beneficiary, may appoint a Trustee, and substitute or successor trustee, succeeding to all rights and responsibilities of the Trustee by filing an appropriate

designation of trustee among the Official Public Records of Gillespie County, Texas.

Section 5. From and after any such foreclosure, the occupants of such Lot shall be required to pay a reasonable rent for the use of such Lot and such occupancy shall constitute a tenancy-at-sufferance. The purchaser at such foreclosure shall be entitled to the appointment of a receiver to collect such rents and, further, shall be entitled to sue for recovery of possession of such Lot by forcible detainer without further notice.

Section 6. It is the intent of the provisions of this Section to comply with the provisions of Texas Property Code Section 51.002 as may be amended hereafter, and, which amendment is applicable hereto. The President of the Association, acting without joinder of any Owner or mortgagee of any owner, may, by amendment to this Declaration filed in the office of the County Clerk of Gillespie County, Texas, amend the provisions hereof so as to comply with said amendments to Section 51.002.

#### ARTICLE XII.

##### AMENDMENT

a) These Declarations may be altered, amended, or repealed at any time by filing in the office of the Clerk of Gillespie County, Texas, an instrument setting forth such annulment, amendment or modification, executed by either the Developer or its assigns and/or successors in interest any time during which it owns of record lots in the Development subject to this Declaration or Declarant is an Owner of adjacent properties which it intends or has intention to subdivide or, in the

alternative, by the Owner or Owners of record as set forth on the records in the office of the Clerk of Gillespie County, Texas at any time of the filing of such instruments by consent in writing of seventy-five (75%) percent of the Owners of Lots subject to these restrictions.

b) Notwithstanding anything to the contrary, as long as Declarant retains an ownership interest in the property, Declarant shall have the right at any time, at its sole discretion and without any joinder or consent of any other party, to amend this Declaration for the purposes of correcting any error, ambiguity or inconsistency appearing herein or for any reason whatsoever deemed necessary for the benefit of the overall development as determined by Declarant in the exercise of its sole judgment. Said amendment shall be effective upon filing of the instrument containing such amendment in the office of the County Clerk of Gillespie County, Texas.

#### ARTICLE XIII.

##### INVALIDATION

Invalidation of any one of the provisions of this instrument by a Judgment or Order of a court of competent jurisdiction shall in no wise affect the validity of any of the other provisions which shall remain in full force and effect.

#### ARTICLE XIV.

##### DEVELOPER'S OBLIGATION(S)

In this instrument, certain easements and reservations of rights have been made in favor of the undersigned Developer. It is not the intention of the undersigned Developer in making these reservations and easements to create any positive obligations on the undersigned Developer

insofar as building or maintaining roads, water systems, sewage systems, furnishing garbage disposal, beginning and prosecuting a lawsuit to enforce the provisions of this instrument, or of removing people, animals, plants, or things that become offensive and violate this instrument. Where a positive obligation is not specifically set forth herein, none shall be interpreted as existing as it relates to the Developer.

#### ARTICLE XV.

##### TERM

The provisions of this Declaration shall run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty (30) years from the date this Declaration is filed for record at the office of the County Clerk of Gillespie County, Texas at which time said Covenants shall be automatically extended for successive periods of ten (10) years unless prior to the beginning of such ten (10) year period an instrument signed by the then Owner(s) of seventy-five (75%) percent of Lots subject to this Declaration agreeing to terminate, amend, or modify these Restrictions shall have been recorded in the office of the County Clerk of Gillespie County, Texas.

#### ARTICLE XVI.

##### GOVERNMENTAL REGULATIONS

The property herein described and Lots subdivided therefrom, in addition to being subject to this Declaration, are conveyed subject to all present and future rules, regulations, and resolutions of the County of Gillespie, State of Texas, if any, relative to zoning and the construction and erection of any buildings or other improvements thereon.

ARTICLE XVII.NOTICES

Any notice required to be sent to any member or owner under the provisions of the Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as a member or Owner of record(s) of the Association at the time of such mailing.

ARTICLE XVIII.ASSIGNMENT

The Developer may assign any and all rights and responsibilities it has under the terms of this Declaration.

ARTICLE XIX.WAIVER AND LACHES

The obligation to abide by the provisions contained in this Declaration shall be deemed to be of a continuing and continual basis. Each and every day an Owner allows a condition to exist on his or her Lot which is not in compliance with the requirements contained herein shall constitute a separate and individual violation hereof, and shall give rise to a new cause of action for such breach. The intended effect and express purpose of this provision shall be that every Owner, by accepting title to a Lot, hereby waives the affirmative defenses of the statute of limitations, waiver and laches with respect to covenant violations. Noncompliant conditions shall be allowed to exist on a Lot only upon the Owner obtaining a written variance in accordance with the applicable provisions herein. Failure of Declarant, the

Association, the Committee, or of any Owner to enforce the terms of this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

ARTICLE XX.

ENFORCEMENT

Declarant, its successors or assigns, the Association, its successors or assigns, or any Owner of any lot in the Subdivision, shall have the right to enforce, by proceedings at law or in equity, these restrictive covenants. Failure of Declarant or the Association to take any action upon any breach or default shall not be deemed a waiver of their right to take action upon any subsequent breach or default. Declarant, for itself, its successors or assigns, reserves the right to enforce these restrictive covenants, though it may have previously sold and conveyed all subdivided lots in the Subdivision controlled by these covenants. The reservation by Declarant or the Association of this right of enforcement shall not create a duty or obligation of any kind to enforce same, and neither Declarant nor the Association shall not be subjected to any claim, demand, or cause of action from any lot owner by virtue of not enforcing any restrictions herein contained.

The Association shall have the authority to employ self-help to enforce compliance with any provision of the Declaration. Upon the occurrence of a default or other violation of the Declaration, the Association may provide notice to the defaulting owner of the matter of noncompliance, the action necessary to cure the

Page | 47

noncompliance, and a date by which the noncompliance shall be cured. In the event the owner fails to cure the matter of noncompliance within the required time, the Association may take action to cure the matter of noncompliance.

Notice of default or other violation of the Declaration and of the Association's intent to act pursuant to this provision shall be in the form and in the manner as required by Article XXXII. In the event of continuing noncompliance, a second notice, at least ten (10) days subsequent to the date of the mailing of the first notice, shall be sent to the noncomplying property owner. Not sooner than thirty-five (35) days after date of the mailing of the original notice, the Association may send notice to the noncomplying property owner of the Association's intent to act to cure the noncomplying condition. Such notice shall be sent by United States Certified Mail, return receipt requested, and shall otherwise conform to Article XXXII of the Declaration. In the event the noncomplying condition continues from and after ten (10) days from the date of the mailing of the Association's intent to act to remedy the noncomplying condition, the Association may commence actions to remedy the noncomplying condition at the sole expense of the noncomplying property owner. ### Meetings of Members

**Section 1. Annual Meetings.** The annual meeting of the Members shall be held on the second Tuesday of December of each year. If the day for the annual meeting of the Members is a legal holiday, the meeting will be held on the next business day that is not a legal holiday.

**Section 2. Special Meetings.** Special meetings of the Members may be called at any time by (a) the President of the Association or (b) the holders of at least ten percent (10%) of all the votes entitled to be cast on any issue proposed to be considered at a proposed special meeting upon the delivery to the Secretary of the Association of one (1) or more signed and dated written demands describing the purpose or purposes for which such special meeting is to be held. Any such special meeting called by the Members in the manner described in clause (b) above shall be held within thirty (30) days after the delivery of such written demand by the holders of at least ten percent (10%) of the votes entitled to be cast at such meeting.

**Section 3. Place of Meetings.** All meetings of the Members shall be held at such place as shall be determined by the Executive Board of the Association.

**Section 4. Notice of Meetings.** Written notice of each meeting of the Association shall be given by, or at the direction of, the Secretary or other person authorized to call the meeting. Any such written notice shall be provided by mailing a copy of such notice, postage prepaid, not less than ten (10) days nor more than sixty (60) days before the date of such meeting to each Member entitled to vote at such meeting, addressed to the Member's address last appearing on the books of the Association, or supplied by such Member to the Association for the purpose of notice. Such notice shall specify the place, day and hour of the meeting and, in the case of a special meeting, the purpose of the meeting.

**Section 5. Waiver of Notice.** A Member may waive any notice required by the Act, the Articles of Incorporation or these Bylaws before or after the date and time stated in the notice. The waiver must be in writing, signed by the Member entitled to such notice and delivered to the Association for inclusion in the minutes or for filing with the corporate records. A Member's attendance at a meeting:

- (a) waives such Member's objection to lack of notice or defective notice of such meeting, unless such Member, at the beginning of the meeting, objects to holding such meeting or transacting business at such meeting; and
- (b) waives such Member's objection to consideration of a particular matter at such meeting that is not within the purpose or purposes described in such meeting notice, unless such Member objects to considering the matter before it is voted upon.

**Section 1. Fixing of Record Date.** For the purposes of determining Members entitled to notice of, or to vote at, any meeting of Members or any adjournment thereof, the Executive Board may fix in advance a date for any such determination of Members, such date in any case to be not more than sixty (60) days nor less than ten (10) days prior to the date on which the particular action, requiring such determination of Members, is to be taken. If no record date is fixed for the determination of Members entitled to notice of, or to vote at, a meeting of Members,

the close of business on the day before the first notice is delivered to Members shall be the record date for such determination. When a determination of Members entitled to vote at any meeting of Members has been made as provided in this Section 6, such determination shall apply to any adjournment thereof, unless the Executive Board fixes a new record date.

**Section 6. Quorum.** The presence at the meeting of Members entitled to cast, or of proxies entitled to cast, twenty percent (20%) of the votes appurtenant to the Lots shall constitute a quorum for any action, except as otherwise provided in the Declaration, the Articles of Incorporation or these Bylaws. If, however, such quorum shall not be present or represented at any meeting, subsequent meetings may be called, subject to the same notice requirement, until the required quorum is present. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

**Section 7. Proxies.** At all meetings of Members, each Member may vote in person or by proxy dated and executed in writing by such Member or such Member's duly authorized attorney-in-fact. All proxies shall be in writing and filed with the Secretary. Every proxy shall be revocable by actual notice of revocation to the person presiding over the meeting and shall automatically cease upon conveyance by the Member of such Member's Lot.

**Section 8. Membership in the Association.** Each Lot Owner of a Lot subject to the jurisdiction of the Association shall be a Member of the Association. In addition, for so long as Declarant owns any part of the Property, Declarant shall be a Member.

**Section 9. Voting Rights.**

(a) **Class A Members.** Class A Members shall be all Lot Owners with the exception of the Declarant. Declarant may, however, be a Class A Member upon the termination of Class B Membership. Class A Members shall be entitled to one (1) vote for each Lot owned. When more than one Person holds an interest in any one Lot, the vote of such Lot shall be exercised as such Persons among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot. Fractional voting is prohibited.

(b) **Class B Members.** The Class B Member shall be the Declarant, its successors and assigns. Class B Members shall be entitled to five (5) votes for each Lot owned. The Class B Membership shall cease and be converted to Class A Membership upon the earlier of:

- (i) the expiration of the Declarant Control Period; or
- (ii) such earlier date as the Class B Member, in its sole discretion, executes and records a written notice voluntarily terminating the Class B membership.

**Section 10. Voting Rights for Conveyance or Encumbrance of Association Property.** Subject to Declarant's right to convey or cause to be conveyed Common Elements to the Association from time to time and without the consent or approval of the Association or its Members, the Association may acquire additional Common Elements with the approval of two-thirds of the votes of the Members who are entitled to vote; provided, however, during Declarant's Control Period no such action shall be effective without Declarant's consent and

approval. Subject to the foregoing, the approval of any conveyance or encumbrance of any portion of the Common Elements shall require the written approval of Members entitled to at least eighty percent (80%) of the votes to be cast on such matter.

**Section 11. Action by Members.** Except as provided otherwise in the Declaration, the Articles of Incorporation or these Bylaws, the vote of a majority of the votes entitled to be cast by the Members present or represented by proxy at a duly held meeting at which a quorum is present shall be necessary for the adoption of any matter voted upon by the Members. Notwithstanding the above, and subject to the terms of the Declaration, the affirmative vote of no less than two-thirds of all votes entitled to be cast by the Members shall be required in order for the Association to (a) file a complaint, on account of an act or omission of Declarant, with any governmental agency or judicial authority over the Property or any part thereof; or (b) assert a claim against or sue Declarant.

**Section 12. Informal Action by Members.** Any action which may be taken at a meeting of the Members may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Members who would be entitled to vote upon such action at a meeting and filed with the Secretary to be kept in the Association's minute book, whether done before or after the action so taken.

## ARTICLE V

### Executive Board

**Section 1. Number.** The business and affairs of the Association shall be managed by an Executive Board appointed by Declarant, subject to Section 3 of this Article V. The number of Directors of the Association shall be at least three (3), but not more than seven (7). The actual number to serve in each year shall be fixed by the Executive Board prior to the annual meeting. The Directors need not be Members.

The Directors shall be divided into three (3) classes, as nearly equal in number as possible, to serve in the first instance for terms of one (1), two (2) and three (3) years, respectively, and thereafter the successors in each class of Directors shall be elected to serve for terms of three (3) years. In the event of any increase or decrease in the number of Directors, the additional or eliminated directorships shall be so classified or chosen such that all classes of Directors shall remain or become as nearly equal in number as possible.

**Section 2. Initial Directors.** The initial Directors shall be appointed by Declarant. Such initial Directors shall serve at the election of Declarant from the date of their election until such time as their successors are duly elected and qualified.

**Section 3. Declarant's Right to Appoint or Remove.** Declarant shall have the sole right to appoint or remove, by written notice to the Executive Board, any Director or Directors of the Executive Board or any officer or officers of the Association until such time as the first of the following events occurs:

- (1) Declarant no longer owns any of the Property (*i.e.*, the Declarant Control Period expires); or

(2) Declarant surrenders the authority to appoint and remove Directors of the Executive Board and officers of the Association by an express amendment to the Declaration executed and recorded by Declarant.

**Section 4. Election by Members.** Upon the happening of either of the events provided in Section 3 of this Article V, the Directors shall be elected at the annual meetings of the Members and the election shall be by written ballot. At such election, the Members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be deemed to have been elected. Cumulative voting is not permitted.

**Section 5. Term of Office.** Each Director shall hold office for the term for which such Director was appointed or elected, or until such Director's death, resignation, retirement, removal, disqualification or until such Director's successor is appointed or elected and qualified. The terms of all other Directors shall be for the number of years set forth in Section 1 of this Article V. A decrease in the number of Directors shall not shorten any incumbent Director's term. The Director elected to fill a vacancy shall serve for the unexpired term of the successor Director's predecessor. Despite the expiration of a Director's term, however, such Director shall continue to serve until the Director's successor is elected and qualified or until there is a decrease in the number of Directors. Nothing herein shall be construed to prevent the election of a Director to succeed himself or herself. Votes shall be tallied at the meeting where they are so cast and, in the event of a tie vote, a run-off election shall be conducted at the same meeting.

**Section 6. Vacancies.** Unless the Articles of Incorporation provide otherwise, if a vacancy occurs on the Executive Board, including, without limitation, a vacancy resulting from an increase in the number of Directors or from the failure of the Members to elect the full authorized number of Directors, then the vacancy shall be filled as provided in this Section 6. So long as Declarant owns any portion of the Property and has not relinquished its power to appoint Directors as provided in Section 3 of this Article V, then Declarant shall appoint a person to fill the vacancy. If Declarant does not own any portion of the Property or has relinquished its power to appoint Directors as provided in Section 3 of this Article V, then the Directors remaining in office may fill the vacancy by the affirmative vote of a majority of all the Directors, or by the sole Director, remaining in office. A vacancy that will occur at a specific later date (by reason of a resignation effective at a later date or otherwise) may be filled before the vacancy occurs, but the new Director may not take office until the vacancy occurs.

**Section 7. Removal.** Subject to the terms of Sections 1 and 3 of this Article V, a newly-elected Director may be removed from the Executive Board, with or without cause, by a majority vote of the Members. In the event of the death, resignation or removal of a Director, such Director's successor shall be selected by the remaining Directors of the Executive Board and shall serve for the unexpired term of the successor Director's predecessor. The Members may elect a Director at any time to fill any vacancy not filled by the remaining Directors of the Executive Board or, if applicable, not appointed by Declarant.

**Section 8. Compensation.** No Director shall receive compensation for any service such Director may render to the Association; however, any Director may be reimbursed for such Director's actual expenses incurred in the performance of such Director's duties.

## ARTICLE VI

### Meetings of Directors

**Section 1. Regular Meetings.** Meetings of the Executive Board shall be held on a regular basis as often as the Executive Board sees fit, but no less often than annually, on such days and at such place and hour as may be fixed from time to time by the Executive Board. Should said meeting fall upon a legal holiday, then such meeting shall be held at the same time on the next business day which is not a legal holiday. Regular meetings of the Executive Board may be held without notice.

**Section 2. Special Meetings.** Special meetings of the Executive Board shall be held when called by the President or by any two (2) Directors. The person or persons calling a special meeting of the Executive Board shall, at least two (2) business days before the meeting, give notice thereof by any usual means of communication (including oral notice).

**Section 3. Quorum.** A majority of the number of Directors fixed by or pursuant to these Bylaws shall constitute a quorum for the transaction of business at any meeting of the Executive Board. The act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Executive Board, unless the act of a greater number is required by the Declaration, the Articles of Incorporation, these Bylaws or by law. In the event business cannot be conducted at any meeting because a quorum is not present, that meeting may be adjourned to a later date by an affirmative vote of a majority of those present in person or by proxy. At any such subsequent meeting held as a result of such adjournment, the quorum shall be reduced by fifty percent (50%) from that required at the previous meeting, as previously reduced, until such time as a quorum is present and business can be conducted.

**Section 4. Informal Action by Directors.** Action taken by a majority of the Directors without a meeting is nevertheless the action of the Executive Board if written consent to the action in question is signed by all of the Directors and filed with the minutes of the proceedings of the Executive Board, whether done before or after the action so taken.

**Section 5. Committees.** The Executive Board may, by resolution adopted by a majority of the number of Directors then in office, designate one (1) or more committees, each of which shall consist of two (2) or more Directors, which committees, to the extent provided in such resolution, shall have and exercise the authority of the Executive Board in the management of the Association.

**Section 6. Participation by Telephone Conference.** Any one (1) or more Directors may participate in a meeting of the Executive Board by means of a telephone conference or similar communications device that allows all Directors participating in the meeting to simultaneously hear each other during the meeting, and such participation in a meeting shall be deemed presence in person at such meeting.

## ARTICLE VII

- (o) Subject to the rights of Declarant set forth herein and in the Declaration, to appoint and remove at pleasure all officers, agents and employees of the Association, prescribe their duties, fix their compensation and require of them such security or fidelity bond as it may deem expedient;
- (p) In the event a Member violates the terms of the Declaration beyond any applicable notice and cured periods set forth therein, to suspend the membership rights of such violating Member, including, without limitation, its right to vote; and

**Section 2. Duties.** It shall be the duty of the Executive Board:

- (d) To pay for the cost of electricity for the street lights to be located on the Property and the electricity serving any of the Common Elements;

## ARTICLE XII

### Amendments

Subject to the limitations hereinafter contained, the Articles of Incorporation and these Bylaws may be amended or modified at any time by the affirmative vote or written agreement of Members to which not less than sixty-seven percent (67%) of the votes in the Association are allocated. Provided further any amendment or modification to the Articles of Incorporation or these Bylaws must be consented to by Declarant, so long as Declarant owns any Lot or other

portion of the Property, which consent Declarant may grant or withhold in its sole discretion.

In addition, Declarant, without obtaining the approval of any other Member or any other Lot Owner other than Declarant, may make amendments or modifications to the Articles of Incorporation and these Bylaws which either (a) are correctional in nature only and do not involve a change which materially adversely affects the rights, duties or obligations specified herein or therein or (b) apply only to the portions of the Property then owned by Declarant. An amendment or modification, in lieu of being executed by the Members voting for such amendment or modification, may contain a certification of the Secretary stating that the amendment or modification has been voted on and approved by the Members possessing the requisite number of votes as provided in this Article XII. With respect to the Articles of Incorporation, any amendment or modification shall be filed of record in the Office of the Texas Secretary of State. In addition to the foregoing rights, Declarant may, at Declarant's option, amend and modify the Articles of Incorporation and these Bylaws without obtaining the consent or approval of any other Person if such amendment or modification is necessary to cause the Articles of Incorporation and these Bylaws to comply with the requirements of any governmental agency or applicable law or legal mandate or requirement.

### ARTICLE XIV

#### Indemnification of Directors and Officers

##### **Section 1. Indemnification.**

Neither Declarant, nor any Member, nor Directors of the Executive Board, nor any officers, Directors, agents or employees of any of them shall be personally liable for debts contracted for or otherwise incurred by the Association or for a tort of another Member, whether or not such other Member was acting on behalf of the Association or otherwise. Neither Declarant, the Directors of the Executive Board, nor the Association, nor their officers, directors, agents or employees shall be liable for any incidental or consequential damages for failure to inspect any premises, improvements or portions thereof with respect to the Property or for failure to repair or maintain the same. Neither Declarant, the Directors of the Executive Board, the Association nor any other Person making such repairs or maintenance shall be liable for any personal injury or other incidental or consequential damages occasioned by any act or omission in the repair or maintenance of any premises, improvements or portions thereof with respect to the Property.

The Association shall, to the extent permitted by applicable law, indemnify and defend all Directors of the Executive Board from and against any and all loss, cost, expense, damage, liability, claim, action or cause of action arising from or relating to the performance by the Executive Board of its duties and obligations, except for any such loss, cost, expense, damage, liability, claim, action or cause of action resulting from the gross negligence or willful misconduct of the person(s) so indemnified.

The Association shall indemnify any Director or officer, or former Director or officer, of the Association or any person who may have served at the request of the Association as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, whether for profit or not for profit, against liabilities and reasonable litigation expenses (including attorneys' fees) incurred by such Director or officer in connection with any action, suit or proceeding (whether civil or criminal) in which such Director or officer is made or threatened to be made a party by reason of being or having been such Director or officer, except in relation to matters as to which such Director or officer shall be adjudged in such action, suit or proceeding to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

The indemnifications provided herein shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any statute, bylaw, agreement, vote of Members or disinterested Directors, or otherwise, both as to action in the indemnified's official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

The Association's indemnity of any person who is or was a Director or officer of the Association, is or was serving at the request of the Association as a Director or officer of the Association, or is or was serving at the request of the Association as a Director or officer of another corporation, partnership, joint venture, trust or other enterprise, shall be reduced by any amounts such person may collect as indemnification (i) under any policy of insurance purchased and maintained on such Director's or officer's behalf by the Association or (ii) from such other corporation, partnership, joint venture, trust or other enterprise.

Expenses incurred by a Director or officer in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Executive Board in the specific case upon receipt of an undertaking by or on behalf of the Director or officer to repay such amount.

Nothing contained in this Article XIV, or elsewhere in these Bylaws, shall operate to indemnify any Director or officer if such indemnification is contrary to any applicable state or federal law.

**Section 2. Insurance.** The Association may purchase and maintain insurance on behalf of its Directors, officers, employees and agents and those persons who serve at the request of the Association in any capacity in another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, to protect against any liability asserted against or incurred by such person in any such capacity, or arising out of such person's status as such, whether or not

the Association would have the power to indemnify such person against such liability under the provisions of this Article XIV or otherwise. Any full or partial payment made by an insurance company under any insurance policy covering any director, officer, employee or agent made to or on behalf of a person entitled to indemnification under this Article XIV shall relieve the Association of its liability provided for in this Article XIV or otherwise to the extent of such payment, and no insurer shall have a right of subrogation against the Association with respect to any such payment.

IN WITNESS WHEREOF, the Declarant has hereunto set his hand and seal, or if corporate, has caused this instrument to be signed in its corporate name by its duly authorized officers and its seal to be hereunto affixed by authority of its managers, the day and year first above written.

### Guidelines for Alternative Payment Plans

Date:

October 10th, 2022

Property Owners Association:

Maverick Ranch Property Owners Association, Inc., established by the certificate of formation filed with the secretary of state of Texas on September 6, 2022, under file number 884043980

Property Owners Association's Address: PO Box 661 Murphy, NC 28906

Subdivision:

Maverick Subdivision, Gillespie County, Texas

Payment Plan Guidelines:

The Property Owners Association will provide delinquent owners an alternative payment schedule by which an owner may make partial payments to the Association for delinquent regular or special assessments, or any other amount owed to the Property Owners Association without accruing additional monetary penalties. For purposes of these guidelines, monetary penalties do not include reasonable costs associated with administering the payment plan or interest.

Administrative Fee:

\$100.00

Annual Interest Rate:

12%

The Property Owners Association establishes these guidelines to allow owners who are delinquent in payment of a debt to the Property Owners Association to pay the debt in partial payments to avoid monetary penalties. However, delinquency in payment of a debt will result in nonmonetary penalties, such as loss of privileges.

Payments under a payment plan will incur the Administrative Fee and interest at the Annual Interest Rate.

To be entitled to pay a debt under a payment plan, an owner who is delinquent on a debt must submit a written request to the Property Owners Association at the address given in the most recently recorded Management Certificate, or the address given on the assessment invoice, if any.

Owners can make no more than one (1) request for a payment plan within a twelve (12) month period. The Property Owners Association is not required to enter into a payment plan

agreement with an owner who failed to honor the terms of a previous payment plan agreement during the two years following the owner's default under the previous payment plan agreement.

## Records Production and Copying Policy

Date: October 10th 2022

Subdivision: Maverick Subdivision

Property Owners Association: Maverick Ranch Property Owners Association, Inc. ("Association"), established by the certificate of formation filed with the secretary of state of Texas on September 6, 2022, under File Number 884043980.

Charges: Charges for examining and copying Association information are set out in Exhibit "A".

Except for information deemed confidential by law or court order, the Association will make its books and records open to and reasonably available for examination by an owner of property in the Subdivision or a person designated in a writing signed by the owner as the owner's agent, attorney, or certified public accountant, in accordance with Texas Property Code section 209.005. Owners are also entitled to obtain copies of information in the Property Owners Association's books and records on payment of the Charges for the copies. To the extent the Charges in this policy exceed the charges in section 70.3 of title 1 of the Texas Administrative Code, the amounts in section 70.3 of title 1 of the Texas Administrative Code govern.

Information not subject to inspection by owners includes but is not limited to—

1. any document that constitutes the work product of the Association's attorney or that is privileged as an attorney-client communication;
2. files and records of the Association's attorney relating to the Association, excluding invoices requested by an owner under Texas Property Code section 209.008(d); and
3. except to the extent the information is provided in the meeting minutes or as authorized by Texas Property Code section 209.005(l), (a) information that identifies the dedicatory instrument violation history of an individual owner; (b) an owner's personal financial information, including records of payment or nonpayment of amounts due the Association; (c) an owner's contact information, other than the owner's address; and (d) information related to an employee of the Association, including personnel files.

If a document in the Association's attorney's files and records relating to the Association would be subject to a request by an owner to inspect or copy Association documents, the document will be produced by using the copy from the attorney's files and records if the Association has not maintained a separate copy of the document.

### Procedures for Inspecting Information or Obtaining Copies

1. An owner or the owner's agent must submit a written request for access or information by certified mail, with sufficient detail describing the Association's books and records requested, to the mailing address of the Association or authorized representative as reflected on the most current management certificate filed with the county clerk of Gillespie County, Texas.

2. The request must include enough description and detail about the information requested to enable the Association to accurately identify and locate the information requested. Owners must cooperate with the Association's reasonable efforts to clarify the type or amount of information requested.

3. The request must contain an election either to inspect the books and records before obtaining copies or to have the Association forward copies of the requested books and records and—

- a. if an inspection is requested, the Association, on or before the tenth business day after the date the Association receives the request, will send written notice of dates during normal business hours that the owner may inspect the requested books and records to the extent those books and records are in the possession, custody, or control of the Association; or
- b. if copies of identified books and records are requested, the Association will, to the extent those books and records are in the possession, custody, or control of the Association, produce the requested books and records for the requesting party on or before the tenth business day after the date the Association receives the request.

4. If the Association is unable to produce the books or records requested that are in its possession or custody on or before the tenth business day after the date the Association receives the request, the Association must provide to the requestor written notice that—

- a. informs the owner that the Association is unable to produce the information on or before the tenth business day after the date the Association received the request; and
- b. states a date by which the information will be sent or made available for inspection to the requesting party that is not later than the fifteenth business day after the date notice under this subsection is given.

5. If an inspection is requested or required, the inspection will take place at a mutually agreeable time during normal business hours, and the owner will identify the books and records for the Association to copy and forward to the owner.

6. The Association may produce copies of the requested information in paper copy, electronic, or other format reasonably available to the Association.

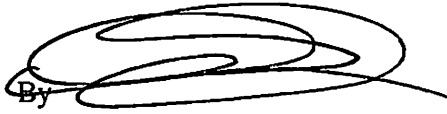

7. Before starting work on an owner's request, the Association must provide the owner with a written, itemized statement of estimated Charges for examining and copying records related to the owner's request, using amounts prescribed in this policy when the estimated Charges exceed \$40. Owners may modify the request in response to the itemized statement.

8. Within ten business days of the date the Association sent the estimate of Charges, the owner must respond in writing to the written estimate, or the request is considered automatically withdrawn. The response must state whether the owner (a) accepts the estimate per the request, (b) modifies the request, or (c) withdraws the request.

9. Owners are responsible for Charges related to the compilation, production, and reproduction of the requested information in the amounts stated in this policy. The Association may require advance payment of the estimated Charges of compilation, production, and reproduction of the requested information.

10. If the estimated Charges are less or more than the actual Charges, the Association must submit a final invoice to the owner on or before the thirtieth business day after the date the information is delivered. If the final invoice includes additional amounts due from the owner, the additional amounts, if not reimbursed to the Association before the thirtieth business day after the date the invoice is sent to the owner, may be added to the owner's account as an assessment. If the estimated Charges exceeded the final invoice amount, the owner is entitled to a refund, and the refund will be issued to the owner not later than the thirtieth business day after the date the invoice is sent to the owner.

**Exhibit A**  
**Charges for Examining and Copying**  
**Association Information**

**A. Labor Charge for Computer Programming**

If a particular request requires the services of a computer programmer to execute an existing program or to create a new program so that requested information may be accessed and copied, the Association will charge \$100.00 an hour for the programmer's time spent on the request.

**B. Labor Charge for Locating, Compiling, Manipulating, and Reproducing Data and Information**

1. The charge for labor costs incurred in processing an owner's request for Association information is \$25.00 an hour. The labor charge will be calculated based on the actual time to locate, compile, manipulate, and reproduce the requested data and information.

2. A labor charge will not be billed in connection with complying with requests that are for fifty or fewer pages of paper records, unless the documents to be copied are located in (a) two or more separate buildings that are not physically connected with each other or (b) a remote storage facility.

3. A labor charge will not be billed for any time spent by an attorney, legal assistant, or any other person who reviews the requested information to determine whether it is confidential or privileged under Texas law.

4. When confidential or privileged information is mixed with public information in the same page, a labor charge may be recovered for time spent to redact, black out, or otherwise obscure the confidential or privileged information in order to comply with the owner's request. The Association will not charge for redacting confidential or privileged information for requests of fifty or fewer pages unless the request also qualifies for a labor charge under section 552.261(a)(1) or 552.261(a)(2) of the Texas Government Code.

**C. Overhead Charge**

1. Whenever any labor charge is applicable to a request, the Association may include in the Charges direct and indirect costs, in addition to the specific labor charge. This overhead charge would cover such costs as depreciation of capital assets, rent, maintenance and repair, utilities, and administrative overhead. If the Association chooses to recover such costs, the overhead charge will be computed at twenty percent 20% of the charge made to cover any labor costs associated with a particular request.

For example, if one hour of labor is used for a particular request, the formula would be as follows:

- a. Labor charge for locating, compiling, and reproducing— $\$15.00 \times .20 = \$3.00$ .
- b. Labor charge for computer programming— $\$28.50 \times .20 = \$5.70$ .

If a request requires a charge for one hour of labor for locating, compiling, and reproducing information (\$15.00 per hour) and one hour of programming (\$28.50 per hour), the combined overhead would be  $\$15.00 + \$28.50 = \$43.50 \times .20 = \$8.70$ .

2. An overhead charge will not be made for requests for copies of fifty or fewer pages of standard paper records.

#### **D. Microfiche and Microfilm Charge**

If the Association already has the requested information on microfiche or microfilm, the charge for a copy must not exceed the cost of reproducing the information on microfiche or microfilm or ten cents per page for standard size paper copies of the information on microfiche or microfilm, plus any applicable labor and overhead charge for more than fifty copies.

#### **E. Remote Document Retrieval Charge**

To the extent that the retrieval of documents stored on the Association's property results in a charge to comply with a request, the Association will charge the actual cost of the retrieval.

#### **F. Copy Charges**

1. The charge for standard paper copies reproduced by means of an office machine copier or a computer printer is ten cents per page or part of a page. Each side of a piece of paper on which information is recorded is counted as a single copy. A piece of paper that has information recorded on both sides is counted as two copies. Standard paper copy is a copy of Association information that is a printed impression on one side of a piece of paper that measures up to eight and one-half by fourteen inches.

2. A "nonstandard" copy includes everything but a copy of a piece of paper measuring up to eight and one-half by fourteen inches. Microfiche, microfilm, diskettes, magnetic tapes, and CD-ROM are examples of nonstandard copies. The charges in this subsection are to cover the materials onto which information is copied and do not reflect any additional charges, including labor, that may be associated with a particular request. The charges for nonstandard copies are—

- a. diskette—\$1.00;
- b. magnetic tape—actual cost;
- c. data cartridge—actual cost;
- d. tape cartridge—actual cost;

- e. rewritable CD (CD-RW)—\$1.00;
- f. nonrewritable CD (CD-R)—\$1.00;
- g. digital video disc (DVD)—\$3.00;
- h. JAZ drive—actual cost;
- i. other electronic media—actual cost;
- j. VHS video cassette—\$2.50;
- k. audio cassette—\$1.00;
- l. oversize paper copy (e.g., larger than eight and one-half by fourteen inches, greenbar, bluebar, not including maps and photographs using specialty paper)—\$0.50; and
- m. specialty paper (e.g., Mylar, blueprint, blueline, map, photographic)—actual cost.
